PASTOR'S NOTE

Dear Friends,

Our Yosemite National Park ranger told us we were standing where, in 1940, Ansel Adams took the familiar photograph of a tree growing out of a crevice in the granite face of Sentinel Dome. I later learned a native of Oneonta, Carleton Wilkins, had also stood there, seventy-three years before Adams, and

photographed the same wind-shaped Jeffrey Pine. In 1977, the 400 year old tree died as a result of severe drought, and in 2003, it finally severed its tie to the earth and fell.

Surrounded by the vast panorama of Yosemite's peaks and valleys, our hiking group stood behind the now prone trunk for a picture of our own.

Hiking the parks of the American West brings a sense of awe for me. When we hiked to a lake below Cathedral Peak, we followed the John Muir trail, and as I looked up at the majestic peak, I could "Amen" what the naturalist wrote after his first ascent: "This I may say is the first time I have been at church in California... In our best times everything turns into religion, all the world seems a church and the mountains altars." [John Muir, "My First Summer in the Sierra"]

When I stand where others have stood, or walk the paths others have taken, I often have a sense of reverence and appreciation for both the place and those who have preceded me. I once served a church where two of my seminary professors had been former pastors, and would feel a connectional presence as I sat in the same pastor's study they used in prior decades.

WORSHIP SCHEDULE

Sunday Worship is at 10:00am.

CHURCH OFFICE SCHEDULE

Please note that all Church offices are CLOSED on Fridays.

The Church Main Office is open Monday - Thursday, from 9am-1pm.

OUR MISSION

*Together,
We worship God through Christ and explore all
dimensions of life in the Spirit;
We demonstrate God's inclusive love as we work for
peace and justice;
We serve God in the world as we seek to heal
wounds and care for God's creation.*

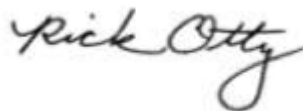

Reminders of the past can instill a commitment to ensure future generations will be able to experience that which we appreciate. We become stewards, entrusted with the care of the gifts that have passed on to us.

In our faith life, we are each stewards of those unique gifts God has entrusted us to use in our lives. As the Church, we are entrusted to nurture faith and live out Jesus' great commission to love God and love our neighbor as ourselves. At First United Presbyterian in Troy, we are entrusted to care for a building completed just before Carleton Wilkins took his 1867 photograph, as well as to appreciate the footsteps of those who preceded us in ministries of justice and care.

God's gift of life itself calls for our faithful response to give of our time, talent, and treasure. During the Fall of each year, we particularly reflect upon our financial responses to God's love. Some, including Lynn and I, have committed to the discipline of tithing, setting aside a minimum of 10% of our (pre-tax) income to give to that which we sense a call to be stewards, caretakers. Most of our giving is made to the church of which we are a part, while we also support educational institutions, peace ministries, and community groups.

We are stewards of both our past and our future. As we seek to honor the work of those who have stood where we now stand, we are not called to "preserve" the church in the same way we may seek to preserve the wonder of John Muir's Cathedral Peak. While Sentinel Dome is not the same without the old Jeffrey Pine, the wonder of the place remains. Let us be prayerful and faithful stewards of that with which God has entrusted us, ever alert to new paths the Spirit is calling us to blaze.

With Christ's peace,

OUR INCLUSIVE MINISTRY

We invite all people of every background, condition, and orientation into the full fellowship, ministry, and mission of God's Good News in Jesus Christ.

All who join the church are extended the full privileges of membership, are challenged to lead lives of Christian discipleship, and are eligible to be considered for church office.

SCRIPTURE READINGS & THEMES

November 4

(Children's Sabbath - Communion - Troy Children's Chorus)

Ruth 1:1-18; Psalm 146; Hebrews 9:11-14; Mark 12:28-34

Theme: Nurturing Hope, Modeling Inclusiveness Jesus' care for and welcome of children are in the first two Gospel texts. The Psalm gives praise to a God who creates, executes justice, and opens eyes, leading into a Gospel lesson of the greatest commandment. Our challenge is to model this for generations to come, as previous generations have done for us.

November 11

Ruth 3:1-5, 4:13-17; Psalm 127; Hebrews 9:24-28; Mark 12:38-44

Theme: Nurturing Gratitude, Modeling Generosity The dedication of Ruth to Naomi comes from both Ruth's gratitude for being a part of Naomi's family, and models a generosity of time and care for her mother in law that was not required. Jesus' story of the widow's mite shows a generosity not based on a formula or percentage, for she gave everything she had.

November 18

(Thanksgiving Sunday, Stewardship Dedication)

1 Samuel 1:4-20; 1 Samuel 2:1-10; Hebrews 10:11-14 (15-18), 19-25; Mark 13:1-8

Theme: Nurturing Trust, Modeling Thankfulness Thanksgiving Day texts will be used as we celebrate and dedicate our 2013 stewardship efforts. We can model thankfulness by avoiding both the temptation to speak of our scarcity, and the trap of considering our "blessings" as God-bestowed favors.

November 25

(Christ the King Sunday)

2 Samuel 23:1-7; Psalm 132:1-12 (13-18); Revelation 1:4b-8; John 18:33-37

Theme: Sovereignty and Free Will The texts are all related to kingship/sovereignty, which can open the understanding of how we understand God's sovereignty over creation, and where and how free will fits in.

READ FOR THE WORLD - OPENING LETTERS

BREAD FOR THE WORLD: OFFERING OF LETTERS

On Sunday, November 4th, as part of our Children's Sabbath Sunday, everyone will have an opportunity to write a letter to our Congressperson. Sample letters, pens and paper will be provided. Brief videos by Marian Wright Edelman of the Children's Defense Fund, and from Bread for the World will be shown during the Faith Education time, followed by the letter writing. For those unable to stay for the Faith Education time, materials will be available in the Rose Room so all can participate in this effort.

The 2012 Offering of Letters Campaign will urge Congress to form a circle of protection around programs that help poor and hungry people. We need to advocate for policies that help end hunger in the U.S. and around the world; issues such as domestic nutrition assistance, foreign assistance, tax credits for low income families, etc.

Please make an effort to contribute a letter if you are able. A group of letters sends a powerful message to our political leaders. See www.bread.org for more information about the organization, and other ways to contribute.

CARPETING, PLOWING, AND THE CHURCH WORK DAY

If you have seen carpet samples around the church in the last month or so, you would be right to conclude that the Session has given the Facilities Committee the "go ahead" to seek proposals for replacing the two-decades-old carpeting in the Fellowship Hall, Rose Room, and office area hallway.

While everyone would like to have had the work completed by now, members of the committee are finding it takes time to decide the type of carpet that will best fit our needs, as well as choose the color/s, and to ensure all the proposals are comparable; thus, it is anticipated it will be early 2013 when the carpet will be installed. There may be limited "budgeted" monies available to cover a portion of the cost, but donations by members will be most appreciated for this "once in twenty years" project.

As we have had for the past several years, a contract for snow plowing, including parking lot and all sidewalks has been executed for the Winter of 2012-2013.

Finally, many thanks to all who participated in the October 27th Work Day at the church. Many projects were completed to repair, maintain, clean, paint, and make safer our church home. Special thanks to Dan Rogers who coordinated the identified tasks and purchased the needed materials ahead of time.

TIME TO BE THANKFUL AND THINK OF OTHERS

Each Fall your Board of Deacons organizes a plan to provide Thanksgiving Baskets of Food for needy families in our community. This is a program that our congregation has supported for many years.

From our local agencies, we solicit names of families who would need assistance in groceries for their Thanksgiving Dinner. Our funds to provide the food for them to prepare their family dinner comes from your generous donations.

We are blessed to have Pat Rudebush, who has for many years now, taken the list which includes how many adults and children, to purchase the amount of ingredients of

turkey, stuffing, potatoes, veggies, rolls, and pies per each family. The ingredients are delivered to these families by one of our local agencies so these families can truly celebrate a day of THANKSGIVING.

We hope you might be supportive of the Deacons Thanksgiving Dinner Project with \$5 or \$10 in the Deacons Envelope located in the pew rack. It will be a wonderful Thanksgiving Dinner with your family knowing you have helped other families celebrate that meaningful day.

Shirley Bowes, Board of Deacons

To participate in this ongoing program, please contact Maury A. Castro.

FAITH EDUCATION

The Amazing Moringa Tree!

This fall in faith education the children have been learning about God's amazing gift of the Moringa Tree. We have been using a curriculum presented by Presbyterian Disaster Assistance and the Presbyterian Hunger Program. Each week the children have seen the many gifts and benefits of this tree to people in poor and malnourished countries. From viewing the dvd we have "met" a PCUSA missionary who works in Haiti named Mark Hare. Mark is involved in the Moringa production project.

Through scripture, the children are learning the importance of being partners with missionaries like Mark by encouraging, supporting, and praying for them. We emailed Mark to thank him for his good work and to offer him encouragement. We ask everyone to join us in praying for Mark and his family and the people that they serve.

Christmas Pageant 2012

All children are invited to participate in the worship service on Sunday, Dec. 23. This year the children will interpret the birth of Jesus using a somewhat artistic approach. We will form live silhouette tableaus in connection with scripture, behind a back-lit screen. Rehearsals will take place on Sunday, Dec. 9 for half an hour during class time, Tuesday, Dec. 11 @ 5:30 pm (after the children's choir rehearsal), Dec. 16 after worship @ 11:30 in the sanctuary and Sat., Dec. 22 @ 9am in the sanctuary. We plan to have pizza for the Dec. 11 rehearsal. We will also need adults to assist with rehearsals and the production.

SESSION NOTES

Highlights of Actions at Stated Session Meeting, Monday, October 22, 2012

- The major portion of the Session meeting was a triennial visit with representatives of Albany Presbytery. Stark Jones, and Ruling Elder Terry Diggory were present to learn about our mission and ministry and to share ways that the presbytery can provide resources for congregations.
- The Session heard reports from the Re-energize Mission Appreciative Inquiry Group about Christmas baskets, the Personnel Committee reported on annual reviews, and appointed Peggy Smith Savchik and Sue Steele as commissioners to the Nov. 17 Presbytery meeting at Delmar.
- The next meetings will be on November 26th and December 17th.
